

COMMUTERS AND FARMWORKERS, GET FUNDS FOR YOUR VANPOOLS

What is the **Measure C Vanpool Program**?

Measure C funds can subsidize vanpool programs that originate within Fresno County. Funds are available for a variety of vanpool incentives, designed to spark the development of new vanpools and offer financial assistance to existing ones.

NEW commuter and farmworker vanpools can qualify for monthly cash incentives and reimbursements to cover medical exams and more!

EXISTING commuter and farmworker vanpools can receive subsidies for emergency ride home programs, driver replacement costs and other reimbursements!

Requirements:

- At least 6 riders and 1 driver
- Must originate in Fresno County
- Vanpools must operate at least 5 days a week, unless participants work full time on an alternate work schedule that requires fewer commute days
